1 2 3 4 5

How confident do you feel about teaching others?

1 2 3 4 5

How much effect do you feel your actions can have on the food system? (5 being a huge effect)

1 2 3 4 5

What actions do you believe help create a more sustainable food system?

The commitment for this program involves attending at least 14 workshops total, including at least 10 of the core curriculum (covered on the 2nd Sundays of each month). It also requires that you complete 40 hours of volunteer work on a sustainable food-related project of your choice (outside the hours of instruction). By signing this application you agree to these commitments.
